FIRST IN RESULTS TO ADVERTISERS NUMBER 11

State's Attorney Conducts Inquiry Into Dietz Death

Man Taken Ill at Channel Lake Sept. 20 Linked to Chicago Syndicate

A possibility that chemists' analyses may be used to verify the cause of the sudden death of Charles H. Dietz, 58, wealthy Chicagoan who was suddenly taken ill Sept. 20 at Channel Lake, was a new angle in this case, which has an apparent tie-up with a Chicago abortion syndicate. State's Attorney Harry A. Hall of Lake county has launched an investigation into mysterious circumstances concerning the life and death of Dietz.

An autopsy performed by a pathologist following Dietz' death in St. Therese hospital revealed that the apparent immediate cause was the rupture of varicose veins in the stomach, the varicose condition having been brought about by chronic cirrhosis of the liver.

Dietz had been living quietly in a basement apartment at the Sorenson resort hotel at Channel Lake. With him was an elderly woman who was known as Mrs. Dietz, but who is also believed to be Dr. Josephine Gabler, sought as the alleged "front" for the Chicago syndicate.

Efforts are now being made to locate this woman, on whose request the autopsy was performed, and who made the funeral arrangements for Dietz in Chicago. Mrs. Dietz, or Dr. Gabler, was the sole beneficiary under the terms of Dietz' will.

Before mysteriously disappearing, she is believed to have illegally gained access to safety deposit boxes rented by Dietz. (Presence of an assistant attorney general at the opening of safety deposit boxes by the legate or administrator of a will is required by law.)

Check Deposit Boxes

State inheritance tax men are said to be making calls to banks throughout the Chicago area in search of other safety deposit boxes belonging to Dietz. His estate this far is estimated at \$60,000, and is believed to amount to \$300,000 more.

Dietz was taken suddenly ill Sept. 20 at the apartment he and the woman believed to be his wife had occupied at Channel Lake. Dr. A. N. Berke of Antioch, who was called in, found the patient's condition extremely serious, and urged his immediate removal to a hospital.

Present at the time were "Dr. Jo," whom Dietz is rumored to have married a number of years ago at Niles Center, and three or four strange men. One of the men is alleged to have posed as a physician before the arrival of the Antioch doctor, although none of the gathering, including "Dr. Jo," professed to have any medical knowledge in the presence of Dr. Berke, who had considerable difficulty in communicating with the woman, because of her apparent extreme deafness. Removal of Dietz to the hospital is said to have been protested by the men.

The day after Dietz' death, his supposed wife left the resort, asking attendants there to dispose of Dietz' two pet dogs, as she had no place to keep them.

Dietz died a short time after being entered at the hospital. A coroner's inquest was held by Dr. John L. Taylor.

Charles H. Fjellman, Skokie (Niles Center) justice of the peace, who is said to have been an intimate friend of Dietz, is reported to have stated at the inquest that Dietz had often complained of stomach and abdominal pains, but had refused to see a doctor except in emergency circumstances.

Nielsen Transferred to La. Motor Maintenance

Camp Polk, La., Oct. 23—Private James Nielsen, Antioch, Ill., is in Company "G," 5th Quartermaster Regiment (Heavy Maintenance), transferred to Camp Polk from Camp Livingston, La., to operate one of the 10 district motor maintenance units in the Fourth Corps Area at Camp Polk.

Private Nielsen, the son of Mr. and Mrs. Niels A. Nielsen, Antioch, was inducted into the service at Fort Sheridan, Ill., March 28, 1941, and was assigned to the 8th Quartermaster Training Regiment, Camp Lee, Va., for preliminary training before joining his present organization last June.

Private Nielsen is a mechanic in the heavy maintenance repair shop operated by Company "G."

Sack Man Not Ballplayer

Readers of the sports pages might think a sack man a baseball player, but his real job is in a corn products plant.

Accept Enrollments for Women's First Aid Class

Enrollments are now being received for a woman's class in standard Red Cross first aid methods.

Several registrations have already been received. Women interested in this work may notify Herman Holbek, captain of the Antioch rescue squad; Herman Rosing or Walter Scott, lieutenants, or Harry Greenlee, lay instructor.

It is also hoped that a class for juniors interested in first aid work can be started soon, Holbek states.

Seek Court Decision On Pinball Legality

Lake County Towns Watch "Friendly" Test Suit in Rockford

Lake county tavern keepers and pinball operators today are watching court proceedings in Rockford, Illinois, where a "friendly" suit has been filed to determine whether the machines are gambling or amusement devices.

State's Attorney Max A. Weston of Winnebago county launched the test case Tuesday when he instructed Sheriff William C. Bell to seize four pinball machines, that had been licensed by the city of Rockford, and were in operation at the Sportland Amusement arcade in downtown Rockford. The state's attorney then prepared to file a petition in the Winnebago county court for permission by the sheriff to destroy the machines on the ground that they are gambling devices and therefore illegal.

Many Lake county towns, including Antioch, have issued licenses to operators of pinball machines, and have collected fees. What course will be followed by the authorities in the various towns pending the court verdict is a matter of conjecture. The attorney general of the state of Illinois recently handed down a ruling stating that in his opinion the machines are gambling devices.

Antioch Firemen Re-Elect Officers

Vos Is President; Garland Named Treasurer for 21st Year

Re-election of all officers of the Antioch Volunteer Fire department was merely a matter of routine at the last regular meeting of the smoke-eaters, according to the vote of the membership which returned to office President Cleve Vos; Secretary Clarence Shultis; Treasurer George Garland and Sergeant-at-arms Einar Petersen. Garland, oldest fireman in point of continuous years in office, has served as treasurer for 20 years, and with his re-election begins his 21st year as custodian of the department funds.

Named as delegates to the state firemen's convention held at Bloomington last week were Dudley Kennedy and Secretary Shultis. Also attending the convention were Mrs. Shultis; Mrs. and Mrs. Irving Elms; Mr. and Mrs. Einar Petersen, and State Deputy Fire Marshal James Stearns.

Teachers of Lake Shore Division to Meet Oct. 27

Antioch and nearby communities will have a good representation at the annual program meeting of the Lake Shore division of the Illinois Educational association, Monday, Oct. 27, R. E. Clabaugh, president, states.

Because of the large membership of the Lake Shore division—4,800 teachers—the meeting will be held in two sections. The northern part, of which Antioch is a section, will meet at Evanston Township high school, and the southern part will meet at J. Sterling Morton Township high school, at Cicero.

Mr. Clabaugh will preside at the morning session at the Cicero school, and at the afternoon session in the Evanston school. Programs as nearly identical as possible will be presented at the two schools during the day. W. C. Petty, Lake county superintendent of schools, will take part in the program at the Evanston school during the morning.

Clair Elliott Released from Military Service

Chanute Field, Ill., Oct. 22—Pvt. Clair W. Elliott, Antioch, Ill., was released from active duty with the Army here today under recent legislation providing for the release of selectees who were 28 years old or older when they were inducted into service. Pvt. Elliott is one of 123 selectees being released at Chanute Field because of the 28-year-old rule.

Homecoming to Feature Game With Northbrook

Pep Meeting, Election of Queen, Dance to be Highlights

(By Edna Pedersen)

Election of a "Queen" to preside over Antioch Township High school's Homecoming festivities will take place at the school Friday.

The Homecoming game Friday afternoon will find the Sequoias, conference leaders, pitted against Northbrook High school.

Election of the Queen Friday morning and the game Friday afternoon will be highlights of Homecoming day, which will culminate in a dance Friday evening from 8 to 11:30 o'clock.

The students need little encouragement to become enthusiastic over the high school team this year. The team so far has dropped but one game and that to a non-conference eleven. It leads the Northwest conference with a win and a tie and judging from the way the team has been playing it will add the scalp of Northbrook to its belt for another conference victory Friday.

Coach C. A. Wolfenbarger has been putting his team through some strenuous practice this week regardless of the wet and slippery field and general unsatisfactory conditions for outdoor play. The team is showing plenty of spirit and it is determined to win the homecoming contest.

A parade this afternoon and a bonfire and snake dance this evening promise to start Antioch's second annual football homecoming off right.

Elaborate plans are being made by the student council and the pep club for the homecoming tomorrow.

The following committees have been appointed: Publicity—Bud Maclethorpe, Sammy Klass, Jim Koepack; programs—Elna Nelson, Jennie Nevelier, Gertrude Horton; decoration—Bill Effinger, Bill Petty, Bob Bennett, Laura Jean Minto, Ella Fay, Alice Leng; tickets—Betty Buscher, Marilyn Tiede, Laurel Sobey; refreshments—Sammy Klass, Elna Nelson, Ella Fay; Jim Jones, president of the student council, is in general charge of arrangements.

Arthur G. Simpson, Farm Manager, Dies

Farm Expert Passes Away at Home of Son in Palatine

Services were held in the Strang funeral home Tuesday afternoon at 2 o'clock for Arthur George Simpson, for 35 years an expert farmer and farm manager in Lake and McHenry counties, who died Sunday at the home of his son, A. Fowle Simpson, in Palatine.

Simpson, who was 58 years of age, was stricken with a heart ailment. He had been ill for about a year. He had in past years managed the J. K. Dering properties near Lake Villa, the Pine Tree farms near McHenry and the Chris Paschen properties.

He was born at Little Elrick farm, Old Deer, Scotland, Jan. 27, 1883. He and his bride, whose maiden name was Patricia Phillips, arrived in this country on their honeymoon, in April, 1906, and went to Governor Lowden's farm near Oregon, Ill., where Simpson had a job awaiting him.

Later he worked on Senator Rodney Swift's farm at Libertyville, and in 1911 went to the J. K. Dering properties, where he remained for 17 years. Following that, he went to the Chris Paschen farms for six years. His last farm position was at the Pine Tree properties.

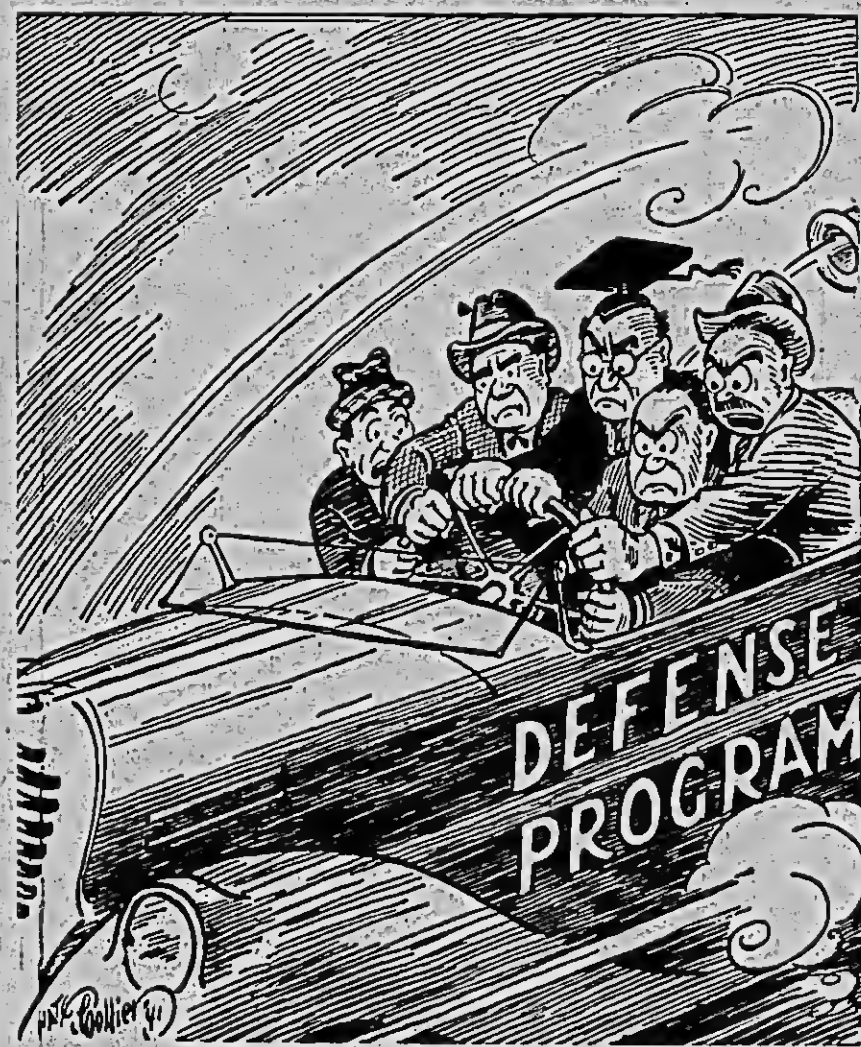

Survivors include his wife, Patricia; his sons, Philip of Antioch and Fowle of Palatine; one granddaughter, Halie; three brothers, Alex Simpson of Lake Forest, Andrew of California, and John of Scotland; three sisters, Mrs. Alex Brabner and Mrs. Albert Falconer of Lake Forest, and Mrs. William Philip of Libertyville.

He was a member of the Waukegan lodge of the Loyal Order of the Moose and of the Masonic lodge at Libertyville.

Palbearers for the funeral were Fred Fowles, McHenry; B. J. Hooper, Thomas Wilkinson, Charles Martin and Clare Sherwood, all of Lake Villa, and J. K. Dering, Libertyville.

Burial was in Hillside cemetery. Mrs. Ernest Birger has been ill at St. Therese hospital in Waukegan for several days.

TOO MANY DRIVERS

Norbert Pacini Dies Suddenly

Succumbs Following Acute Illness of Brain Tumor

Taken ill suddenly at his home at 483 Lake street Saturday night, Norbert Pacini, 29, died at 3 o'clock Sunday morning in St. Therese hospital. Pacini had apparently been in good health, but an autopsy revealed that he had suffered from a brain tumor.

A requiem mass was sung this morning at 10 o'clock in St. Peter's church, with the Rev. F. M. Flaherty officiating. Burial was in Mount Carmel cemetery.

Pacini is survived by his bride of four months, the former Alice Palaske; by his parents, Mr. and Mrs. J. N. Pacini; his brother, Stephen, of Glendale, Calif.; and two half-brothers, Paul Thompson of Chicago and Ralph Thompson of Antioch.

He was a teacher at the Central school in North Chicago this year, having taught for four years previously at the Kelsey school, Fox River Grove.

Pacini was born in Waukegan, where his father at one time operated a fruit store at the north-east corner of Madison and Genesee streets, but his parents moved to Antioch when he was a year old and he had spent most of his life here.

Was Scoutmaster

He was a graduate of Antioch Township High school and of the state teachers' college at DeKalb, Ill. He was a member of the Holy Name society of St. Peter's Catholic church at Antioch and was scoutmaster of the Boy Scout troop sponsored by the society. Members of his troop attended the funeral services in a body.

His father, a Spanish-American war veteran, had recently been taken to the veteran's administration hospital in Milwaukee for a check-up, but returned to his home at 1082 South Main street Sunday.

Marellbar Farm Enters Cattle in Exposition

Chicago, Oct. 22—William Bartholomay, Jr., proprietor of Marellbar Farm, well-known Lake county purebred live-stock breeding establishment at Libertyville, has made the first entries from this county for the 1941 International Live Stock Exposition, to be held at the Chicago Stock Yards November 29 to December 6.

He has listed a show herd of six purebred Shorthorn cattle for the contests of this breed at the Chicago show, where Marellbar animals have won numerous top-prizes in past years. According to the management, \$10,000 will be paid in cash prizes at the 1941 show in contests that will feature 206 different breeds of cattle, horses, sheep, and swine.

Held in conjunction with the Exposition is the International Grain and Hay show, world's largest farm crop contest.

Officials of the Exposition report that entries have been received to date from prospective exhibitors in 22 states and Canada. Live stock entries will close November 1st, it is announced, and grain and hay show entries will be accepted until Nov. 10.

Mr. and Mrs. Fred Kinrade returned Monday after spending the week-end in Chicago with friends. Guests at their home Tuesday were Mrs. Clara Avery and Mrs. Jake Dean of Chieft. In the afternoon, Mr. and Mrs. Ulrich, Mrs. Warren Snyder and Mrs. Harold Wells, all of Mundelein, were callers.

One-Third of H. S. Students are Listed on 6-Wk. Honor Roll

(By Doris Strang)

One-third of the student body is listed upon the honor roll compiled at the end of the first six-weeks period.

Rose Marie Zellhofer, a sophomore at Antioch High School, heads the list with a record of 5 A's on her report card. Seven students have 3 A's on their reports: Howard Atwood, Dale Barnstable, Ralph Lasco, Edna Perersen, Rosalie Sibley, Alan Thain, and Clara Wurster.

Sixteen students have records of two A's: Doris Burdick, David DuPre, Louis Giannini, Elizabeth Grenus, Eleanor Horton, Edwin Jones, Loretta Kuligowski, Bill Lubkeman, Louis Meinersmann, Laura Jean Minto, Roman Pfannenstull, George Pollard, Jim Koepack, Edward Ruschewski, Alice Ward, and Dudley Ward.

Taking home records which have one "A" are the following forty-eight students: Edna Barnstable, Walter Calhoun, Art Carpenter, Margaret DeBaets, Wayne Drom, Robert Edwards, Ella Fay, Jack Fields, Kathleen Fields, Charles Flint, Donald Gaa, Margaret Gaides, Betty Gossell, Lenore Grodli, Ruth Gussarson, Howard Hagemann, Geraldine Hasney, Theodora Hennings, Herman Mess, Bert Jordan, Dick Kauffmann, Grace King, Harry Krueger, Kenneth Krueger, June Kull, Allan Latham, Irla Maier, Margaret McGlynn, Charlotte Moran, Jack Morris, Joe Nader, Ralph Nader, Jennie Nevelier, Bob Phillips, Virginia Poulsen, Mac Rhymer, Billie Maye Runyard, Raymond Scott, Doris Strang, Lois Truax, Carol Upton, Carol Waters, Dean Weber, Carol White, Bill White, Therese Wimmer, Martha Winch, and Trutehen Yopp.

According to data supplied by the local water department, Antioch patrons use an average of about 9,000 gallons each three-month period. Thus, as the average quarterly bill is \$2.00 or more, the minimum charge indicated as 67 cents a month is not important. Regardless of the size of cities, the ratio of population to users is surprisingly constant.

Eighty-five per cent of all cities bill their water charges monthly or quarterly. Thus most water systems have a regular income throughout the year, rather than a concentrated revenue at one or two periods.

Antioch Water Safe

Besides receiving a satisfactory rate for water, Antioch patrons have the satisfaction of knowing that the local water supply is safe for every purpose. This is confirmed this week by a report of recent analyses of water made by the state's Sanitary Engineering Laboratories at Springfield. Water taken from three different points in the village had no turbidity, no odor and no bacteria count, according to the chemists' analyses. The report concluded with the statement: "These analyses show that the water being pumped into the distribution system was safe to drink."

"Romance of Old Mexico" Will be Staged at High School Thursday, Oct. 30

Colorful Production Brought Here by Business & Professional Women

"Romance of Old Mexico," famed attraction for Pan-American good-will, will be staged at the Antioch High school auditorium next Thursday night at 8:00 o'clock under the sponsorship of the Antioch Woman's Business and Professional club.

This extravaganza, described as colorful and captivating, is under the personal direction of Col. Ricardo de Escamilla, and vividly and authentically portrays Old Mexico in song and story. Co-starring with the Colonel, who is master of ceremonies, is the attractive Greta Rubio, beautiful daughter of the Incas, who has a marvelous singing voice and stage personality, as well as an eye for beauty in costuming. A marimba orchestra, a company of six of Mexico's best, will furnish the musical background for the production.

The local club is considered fortunate in securing this attraction, which has been given tremendous ovations throughout the United States. The production has been booked regularly as a \$400 attraction throughout the country, but the Antioch club "got a break" when the open date was made available after the company's presentation in Beloit, Wis., on Wednesday night.

H. F. Rock of Antioch is spending the winter in Roseland, Fla.

Antioch Water Rates Not High, Survey Reveals

State Dept. of Health Says Local Water Supply Is Safe

A yardstick by which local citizens can compare their own municipal water rates with charges made for similar service by 286 other American cities is provided in a survey of the rates and number of users in these communities compiled by Barncis, Kindred & Co., Chicago, specialists in municipal finance.

For the smaller municipalities the average water rate is \$1.09 monthly per user for 3,000 gallons and \$1.62 for 5,000 gallons. The averages for similar service in all 286 cities are \$1.06 and \$1.54 respectively. The survey computes all charges on a monthly basis and translates cubic feet into gallons to make comparisons feasible.

The average minimum monthly charge in cities comprising the 5,000 to 10,000 class is 83 cents and the ratio of population to users is 4.3. For all municipalities studied, these averages are 84 cents and 4.4, respectively.

67c Minimum in Antioch

The Antioch rate compares favorably with the median service charge for all cities studied, and the local minimum charge is about 67 cents as compared to the 83 cent minimum given as the average for the smaller towns.

The factor of rates and number of users is becoming increasingly important in view of the growing tendency of municipalities to finance their water works by issuing revenue bonds payable out of the utilities' earnings, the survey says. This is particularly true where the plant is new.

Study of the survey reveals that:

Although the median minimum monthly charge for the 286 cities is 84 cents, actually 35 per cent of the municipalities have minimum charges of 50 cents or \$1.00.

Water rates generally are lowest in large cities. The average monthly charge for 5,000 gallons in cities of more than 10,000 population is \$1.36 compared with \$1.62 in cities under 10,000.

This is shown by the following rates for the different population groups:

Population	Min. Charge	5,000 Gal.
100,000	.71	\$1.36
25,000	.87	1.42
10,000	.84	\$1.49
Under 10,000	.83	1.62
Antioch	.67 (6,000 gal.)	2.00

According to data supplied by the local water department, Antioch patrons use an average of about 9,000 gallons each three-month period. Thus, as the average quarterly bill is \$2.00 or more, the minimum charge indicated as 67 cents a month is not important. Regardless of the size of cities, the ratio of population to users is surprisingly constant.

Eighty-five per cent of all cities bill their water charges monthly or quarterly. Thus most water systems have a regular income throughout the year, rather than a concentrated revenue at one or two periods.

Antioch Water Safe

Besides receiving a satisfactory rate for water, Antioch patrons have the satisfaction of knowing that the local water supply is safe for every purpose. This is confirmed this week by a report of recent analyses of water made by the state's Sanitary Engineering Laboratories at Springfield. Water taken from three different points in the village had no turbidity, no odor and no bacteria count, according to the chemists' analyses. The report concluded with the statement: "These analyses show that the water being pumped into the distribution system was safe to drink."

Men's Civic Club Hears Talk on "Social Security"

Interesting information on social security was given members of the Antioch Civic club by Albert F. Lewis, manager of the social security board for Lake and McHenry counties, at a dinner meeting Monday evening in the Antioch restaurant.

Mr. Lewis gave particular attention to the unemployment benefit angles of social security.

Thirty were present at the meeting.

John Gall of Lake Marie was calling on Antioch friends Monday. He made the trip from his home, a distance of over three miles, in his wheel chair to which he has been confined since he was injured several years ago. He was formerly employed in the building trades before the unfortunate accident which forced his retirement. He has lived at Lake Marie for several years.

900 Wars

Silent Soldiers

The four horsemen have ridden hard this year. They have brought War, Famine, Pestilence, and Death to a large part of the world. It will take every last ounce of strength and knowledge possessed by mankind to halt their sweeping horror. Before many weeks pass, the great annual Christmas Seal campaign will be on in earnest. The funds from these little seals are used to fight one of the most powerful of the horsemen's allies—Tuberculosis.

Through the ages tuberculosis has been known as the great white plague. For centuries it was the number one killer. In times of distress it literally destroyed whole populations. The fact that this is not true today is due solely to the achievements resulting from the continuous sacrifices of medical scientists. C. L. Newcomb, Christmas Seal sale director for the National Tuberculosis Association, recently said: "In the 34 years of Christmas Seal sales, the tuberculosis death rate has been cut by three-fourths, but the disease last year took over 1,000 more American lives than were killed or died from wounds in the American Expeditionary Force in the first World War."

Tuberculosis is still a major problem. With the world again facing conditions that will make a fertile field for a new outbreak of the disease, it behooves the individual to look with new significance this year on the cheery seals adorned with his greeting cards. They are silent soldiers in a gigantic battle, a crucial battle between humanity—and the four horsemen.

The Enemy Within

Fire drills at Antioch schools during Fire Prevention week resulted in complete evacuation at the high school in 40 seconds and at the grade school in 50 seconds. The exit of students was observed and clocked by Inspectors Van Patten and Allner of the local fire department.

Due to constant vigilance on the part of citizens and the splendid Volunteer Fire department, Antioch is far above the average community in maintaining fire prevention measures. Small losses as reported each year attest

the truth of this statement. Other communities, however, are not so fortunate.

How many Americans could answer this question with any degree of accuracy—"How adequate are our local fire defenses?"

The chances are that not one person in a hundred could give anything resembling an informed answer. Yet that question is one which directly affects all our lives, all our property—and which, at this time, has a very direct bearing on the national defense program.

Is the fire department up to snuff? Is there an abundance of water for fighting fire in all sections where it is needed? Is there a strictly enforced, modern building code and fire prevention ordinance? Are periodic inspections made of local property to ferret out and correct fire hazards? Do schools and other public buildings have sufficient and properly designed emergency exits?

You are entitled to the answers to such questions as these, and it is your duty to ask them. Today fire loss is running ahead of last year. It is taking more lives. It is wasting more labor and energy. It is destroying materials which are important both to defense and normal activity. It is destroying sources of taxation, and thus increasing the burden that must be borne by all other taxpayers. It is breeding delay and waste of time.

Even in very small communities, good fire protection is perfectly possible. The people can be educated. And many little towns have joined with others to create fire fighting organizations whose cost, when divided among the cooperating communities, is small. In short, wherever you live, wherever you are, there is no valid excuse for failure to do your part in preventing fire now.

Vote No or Don't Kick

Next year the American people will pay the heaviest taxes in our history. They will pay willingly every dime that is needed for real defense. But they will resent being forced to pay now for government "luxuries" and non-essentials.

Political spending for unnecessary activities is nothing short of a disgrace. For instance, costly WPA "art projects" have again been given official approval. And that is done at a time when the cost of defense will be a great hardship on small incomes, no less than big, and when we are told business cannot continue as usual, and when all must "sacrifice."

It has been reliably estimated that the normal cost of government could be cut by a billion or more dollars a year without imperiling or eliminating any essential activity. But Congress won't move a single step in the direction of economy until the people demand it through their action at the polls. So don't kick at waste until you are ready to vote an emphatic "No" against individuals and agencies that countenance waste.

SALEM

Mrs. E. T. Manning, Mrs. Emerald Schultz and Miss Lulu Root spent Wednesday in Kenosha.

Mr. and Mrs. William Keulman of Burlington spent Tuesday evening with Mr. and Mrs. Byron Patrick.

Mrs. J. K. McFarlane spent Wednesday with her mother, Mrs. Fred Laver, at Bristol.

Three candidates took the examination for carrier for the new rural route No. 1 from Antioch. The compensation as fixed by the government is \$600 per year, the carrier to furnish his own conveyance.

Canadian fire is growing over the Alaskan boundary decision, and there are threats that the dominion will withdraw from the mother country, declaring that England has no right to make arbitrary decisions affecting Canada.

According to a Washington correspondent, the general staff of the army, whose duty it is to prepare plans for war with every possible antagonist, has concluded that the defense of the Monroe doctrine will some day, perhaps sooner than is generally expected, result in a war between the United States and one or more European powers.

Germany is regarded as the country that is most likely to cause trouble. There is reason to believe, says the correspondent, that Germany has had military agents and spies at work in Venezuela for some time, in preparation for an invasion of that country. Some of the staff officers privately admit that they believe Ger-

many is preparing to resist any intervention by the United States in defense of the Monroe doctrine. This means that they think the Kaiser is preparing for the war with the United States which he knows would follow an attempt to secure territory in Venezuela. The general staff proposes to be equally ready for it.

Husking bee will be held at Dave Whitner's at Millburn Friday night.

The long-disputed question of enlarging and deepening the "Dutch Gap" ditch at Bristol is about to be settled.

22 YEARS AGO
Oct. 23, 1919

On Sunday, Oct. 19, Mr. and Mrs. Nelson Pullen were given a surprise by their children in honor of their anniversary. Mrs. Pullen had by chance selected that particular time to visit her daughter, Mrs. Jake Dron, for a few days, but when on Sunday morning she received word that her daughter, Mrs. Tom Webb had come to spend the day with them, she returned home accompanied by the entire Dron family, and found a gathering of 30 waiting to welcome her. The Pullens were united in marriage by a Christian minister by the name of J. B. Jackson, fifty-five years

ago, the ceremony taking place in the home of Durias Gage on what is now known as Lake street in this village.

With its issue of last Saturday the Waukegan Gazette, Lake county's oldest newspaper, passed out of existence, its entire holdings being taken over by the Waukegan Sun. The Gazette was established in 1854 and in 1897 the Daily Sun was established.

Ben Burke of Philadelphia is enjoying a ten days' vacation and is spending it with his parents and other relatives at this place.

Emmet Webb made a business trip to Waukegan on his bicycle Saturday.

Douglas Fairbanks in his big new picture of laughter and love, thrills and surprises, "His Majesty the American," at Hunt's Majestic theater.

Creation of a forest preserve in Lake county is opposed on the grounds that it would take out thousands of acres of taxable property in Lake county and add to expenses, and "all that it would amount to is that a picnic place would be provided in Lake county for Chicago amateurs who come to spend a few hours during the summer."

Kenosha beer distributors have been notified to so arrange their purchases as to have their stocks exhausted by midnight Saturday, Oct. 25. The action of the federal authorities is based on the assumption that President Wilson will not veto the prohibition act.

POISED here as if for take-off is the gorgeous new creation which is the Buick SUPER for 1942.

Fresh in line, clean of contour, solid as a combat car but graceful as a plane, it is one of 23 sparkling new models that prove you can do it if you try!

For the very things that made some people ready to say there couldn't be anything new in the 1942 cars made Buick engineers resolve that if there were any they would be better automobiles.

Now they're here. Everyone a Buick FIREBALL valve-in-head straight-

eight, every single one a honey.

Put foot to treadle in any of them and you find out in a hurry, how little defense conditions hamper men of real skill and alert ingenuity.

Push this beauty, force it through the toughest going — it will take all you can give it with frugal ease, — and be fretlessly ready for more.

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL Lesson

By HAROLD L. LUNDQUIST, D. O.
Dean of the Moody Bible Institute
of Chicago
(Released by Western Newspaper Union.)

Lesson for October 26

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.

CIVIC RESPONSIBILITY REGARDING BEVERAGE ALCOHOL

LESSON TEXT—Deuteronomy 5:32, 33; 11:26-28; Isaiah 28:1-6; Habakkuk 2:12.
GOLDEN TEXT—Righteousness exalteth a nation; but sin is a reproach to any people.—Proverbs 14:34.

Legal approval of the sale of alcoholic beverages has largely taken the matter out of the hands of the home and the church and has made liquor a civic problem. That, of course, does not provide us with a convenient excuse for evading our personal responsibility, for the nation is made up of you and me, of your home and mine, of your church and mine. We must share the nation's responsibility gladly and actively if we are to be worthy of our citizenship. Especially is that true of the Christian, for he sees the spiritual and moral implications of the matter, and he also knows what to do about it.

1. "Righteousness Exalteth a Nation; but Sin is a Reproach to Any People" (Deut. 5:32-33; 11:26-28).

That may sound a bit old-fashioned and it may appear that men have abrogated that principle, but if we wait a bit we shall see that it still works.

1. Righteousness Brings Blessing (Deut. 5:32, 33; 11:26, 27). In this callous and indifferent generation we need to repeat with emphasis the fact that there is laid down in the very constitution of the universe a moral distinction between right and wrong. Right is always right and wrong is always wrong.

The book of Deuteronomy presents the fundamental laws of God. In this fifth chapter there is a review of many of these laws and a practical appeal for obedience. It is pre-

ed out that the way of liberty in the walk of life is to turn neither to the extreme of legal bondage nor to the opposite extreme of human license, but to "walk in all the ways which the Lord your God hath commanded you." Walking in His ways brings all the blessings of Deuteronomy 5:33, a promise which is repeated in 11:27.

2. Unrighteousness Brings Judgment (Deut. 11:28). Turning aside from God's ways must bring upon man His curse. It is no light matter to be under God's disapproval. We who know how much the approval or disapproval of our human beings around us may mean, should consider what it means in the life of a man (or of a nation) to have the eternal, omnipresent and omnipotent God against him.

Then what about a people which countenances the manufacture and the sale of intoxicants, which they well know bring about wickedness and vice which can only call for the judgment of God. Many believe that the great war in which the world is embroiled is simply God's judgment upon the nations (including England and America) because they have turned aside from His holy ways. That means that the most effective way to stop the conflict is national penitence and prayer. Why not believe and practice "I Chronicles 7:14?"

II. Civic Greatness Cannot Be Built on Sin and Oppression (Isa. 28:1-6; Hab. 2:12).

Yes, that sounds old-fashioned too! The theory of today seems to be that the road to greatness is by way of disregard of God's laws, and by the application of the mailed fist of cruel conquest. But let us remember that others have tried the same violation of God's law, and let us recall what happened to them. Did you ever hear of Napoleon?—of Alexander the Great?—of the "glory that was Greece"?—and the world conquering power of ancient Rome? Modern military leaders could well afford to spend less time on their books of strategy and their war maps and more time reading the Bible and the pages of history.

1. Drunkenness and National Decay Go Together (Isa. 28:1-6). The leaders of Israel (Ephraim) lingered long over their wine bowls as they spoke with pride of their nation, and especially of Samaria, its

crown. "It was a city beautifully situated on a hillside surrounded by a fertile terraced hillside."

Does not that all have a vaguely familiar sound? A great nation of our day which now lies in bondage to its neighbor dictator not long ago spoke with pride of its attainments and its security, while (according to the testimony of its own leaders) the use of intoxicants went on apace, even in the army.

2. Permanent Power Cannot Be Built on Oppression (Hab. 2:12). Here again history reveals the correctness of Scripture. Many a nation has sought to find its "place in the sun" by building with the blood of its vanquished enemies. It has never worked, and it will fail now just as it has in the past.

What about the city, state, or nation that attempts to promote its own growth out of the taxes on liquor and its sale?

Ale Offen
Ancient Romans regularly ate five times a day.

Motorists' Friends
Spiders befriended motorists in Omaha, Neb., during the 1939 season by gumming up parking meters daily with their webs.

Salt Domes

CAN YOU ANSWER THESE 3 IMPORTANT HOUSEHOLD QUESTIONS?

Question 1

How can you use hard fuel during cold weather, yet have automatic heat during the changeable Fall and Spring days?

Answer

Install the new automatic gas detachable Fall-Spring house-heater.

Question 2

How can you get rid of the nuisance of building fires and shutting down during changeable weather?

Answer

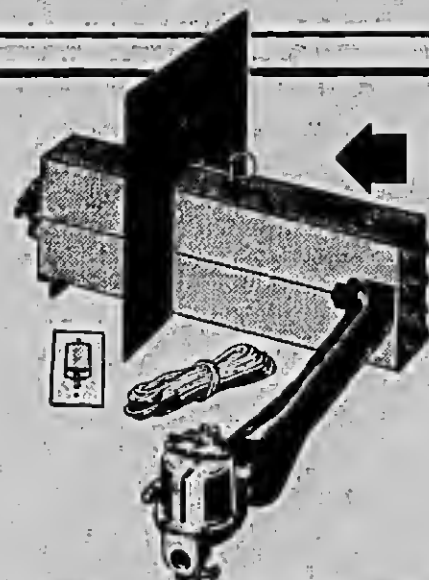

Let the new automatic Fall-Spring gas house-heater do the work.

Question 3

When your house is too warm one day and too cold the next, how can you get uniform heat without changing your furnace or hot water boiler?

Answer

The Fall-Spring gas burner is controlled by a thermostat to give uniform heat. Your heating plant is not altered in any way to accommodate the burner.

HERE'S WHAT THE BURNER LOOKS LIKE...

Ready to be placed
in your furnace
like this

And this is all you have to
do to keep your house at a comfortable temperature

...set the thermostat. The heater operates only when heat is needed... shuts off when the weather warms up.

When steady cold sets in you can quickly remove the gas burner and fire your furnace or hot water boiler with solid fuel.

SOCIETY EVENTS

Women's Community Responsibilities are Stressed by Speaker

The responsibility for the protection of youth of a community against improper moral conditions rests largely with its women, Dr. Bertha M. Schafer, executive director of the Illinois Social Hygiene League, told members of the Antioch Woman's club at a meeting held Monday afternoon in the home of Mrs. G. R. Bicknell.

Dr. Schafer, strongly emphasized the need for wholesome recreation facilities for young people, as an aid in the preservation of morals.

"Mothers who are afraid of getting a scratch on their furniture if they let their children bring their friends home, and who don't like the idea of extra dirty dishes in the sink—they are often the ones to blame when young folks go wrong," said Dr. Schafer.

Wholesome home life is a great deterrent to wrong-doing on the part of youth, she informed her audience, basing her statement on surveys of corrective institutions for young people. She also urged that boys as well as girls be fully informed on various phases of social hygiene.

"Young boys as well as young girls sometimes suffer tragic consequences through ignorance," Dr. Schafer commented.

Young men in the armed forces of the nation receive much better protection against the spread of "social diseases" than did those serving at the time of the World War, said the speaker.

Through the co-operation and the better education of the public, much has been done to combat these diseases in recent years, and there is hope that much more will be done, Dr. Schafer concluded.

Thirty were present for the meeting, which was followed with a social period and refreshments.

Assisting Mrs. Bicknell on the hostess committee were Misses Ben R. Burke, H. La Tan and Ernest Simons.

Men of St. Peter's Entertain Women at Roast Duck Dinner

About 70 were present to enjoy the delicious roast duck dinner cooked and served by the men of the St. Peter's Holy Name society for members of the Altar and Rosary society and the Young Ladies' sodality Monday evening in the parish hall.

Fr. W. Byron, Wardsworth, one of the judges of the ecclesiastical matrimonial court of the diocese; Fr. George Slominski, professor of philosophy in the seminary at Mundelein, who lectured at St. Peter's on Saturdays and Sundays; and Fr. Nugent of the training school at Des Plaines were the speakers. Movies of the training school were shown by Fr. Nugent, who was assisted by one of the boys from the school, Frank Ladislowski.

Mrs. Lucy Himmels, president of the Altar and Rosary society, acted as toastmaster, and expressed appreciation on behalf of that organization and the sodality for the fine repast served.

Miss Teichert and William Waters, who were in the kitchen all day, and the other members of committees for the affair received much praise for the fine way in which everything was carried out. The gentlemen "renewed" in only one respect—they did not cook the pie that were served for dessert. They secured the cooperation of some of the women in having them baked.

Personals

A letter received by the Antioch News from Mrs. Andrew Harrison states that she and her daughter, Mrs. Arthur Grieve, reached their home at 3703 North Kirby avenue, Portland, Ore., last Wednesday after a few weeks' visit with relatives and friends in Antioch.

A J. Johnson of Indian Point has come to the city to spend the winter.

Long's Peak
Long's Peak, Colo., is 14,255 feet above sea level.

Aileen Glassman, Formerly of Antioch, Is Chicago Bride

Antioch friends of Mrs. Leo Peterman, the former Miss Aileen Glassman, whose marriage took place Oct. 4, have received word that the young couple will be at home at 5106 West Newport avenue, Chicago.

Their wedding ceremony was solemnized in St. Philomena's church, Chicago, with the Rev. Fr. Lawrence Wand officiating.

The bride, who is a former resident of Antioch, wore a gown of white slipper satin, over which a long veil and a blue-velvet fell from a coronet of seed pearls. She carried a white prayer book to which were attached streamers of lilies of the valley.

Her step-father, Theodore Getz, presented her in marriage.

Her mother, Mrs. Anna Glassman Getz, wore a brown crepe frock, with a corsage of yellow tea roses. The bridegroom's mother wore a fuchsia-colored frock and a tea rose corsage.

A 6:30 o'clock supper for 125 and a reception for 350 were held in Dania hall, Chicago.

Notice

The office of Walter G. French will remain open and business will go on as usual, with Mr. Minard Hulse in charge, as he has been during the past four months, until other arrangements are made.

Mrs. Edith C. French.

Card of Thanks

We wish to thank our many friends and neighbors for their acts of kindness and sympathy during our recent bereavement.

The Simpson Family.

Card of Thanks

We are overwhelmed with the thoughtful consideration shown us, during our recent bereavement, by the Business Men of Antioch, Mr. Fred Swanson, the gentlemen who acted as pall bearers, the many acquaintances of Walter, the beautiful floral offerings sent and the many cards of sympathy. Last, but not least, our sincere thanks to Mr. Lee Strang and Mr. Ed Strang.

Edith C. French
John Robert Cary
Helen Cary.

Mrs. Eugene Sheehan entertained the members of her bridge club Tuesday evening at her home. Prizes were awarded to Mrs. Fred Yates and Mrs. Eugene Sheehan.

Mrs. Walter Darnaby and Mrs. Louis Horton spent Wednesday in Chicago.

FOR YOUR HALLOWEEN PARTY—It's smart to serve wine—Famous Virginia Dare brands, fifth, 89 cents; 1/2 gal, \$1.85. Antioch Liquor store, 894 Main street.

Mrs. George B. Bartlett is ill at her home.

For Halloween—recipes for mixed drinks free for the asking—Antioch Liquor store.

WOMAN WINS "MEN'S PRIZE" AT CHANNEL LAKE COSTUME PARTY

Since no men were present in costume to compete for the men's prize at the "Hard Times" party sponsored by the Channel Lake Community club Tuesday evening at the school, the women dressed in men's outfits were judged for this award, and Mrs. Catherine Archer was announced as the winner. The ladies' costume prize was conferred on Mrs. Charles Schultz.

Judges were Mrs. James Runyard, Mrs. Sine Laursen, Mrs. H. Homan, Russell Barnstable and Thomas Dowell.

Seventeen tables of cards and bingo were arranged. Prize winners for the evening included William Baschke, Anthony Watson, Bertha Hermes, Mrs. Cletus Vos, Mrs. E. McDougall, Mrs. Van Cura, Mrs. Vera Rentner.

"MEAT COOKERY" IS HOME UNIT SUBJECT

The Antioch Unit of the Home Bureau met at the home of Mrs. Emil Jennrich, on Loon Lake road Wednesday. The meeting was called to order by the unit chairman, Mrs. Lucille Knitl.

Mrs. Vida White gave the major lesson on "Meat Cookery." Rib Roast was used for the beef demonstration. Baked ham with sliced pineapple was used for the pork demonstration. The lesson was an interesting one and was well presented by the speaker, Mrs. John Heicks of Little Silver Lake road gave an interesting talk on furniture upholstery.

Two new members were received into the unit.

The next regular meeting will be held at the home of Mrs. Austin Savage Wednesday, Nov. 26.

LEGION AUXILIARY TO MEET AT WARD HOME FRIDAY

Co-hostesses with Mrs. W. W. Ward at the meeting of the Antioch American Legion Auxiliary to be held at the Ward home tomorrow night are Mmes. Rebecca McGreal, Miss Elizabeth Webb and Mrs. Jane Thiesman. This will be a social meeting and cards and games will be the diversions, according to plans of the program committee members.

Taking part in the East at the Worthy Matrons' and Patrons' Night observance of the Millburn Eastern Star chapter Monday evening were Mrs. Martha Hunter and Ralph Kinrade, worthy matron and worthy patron of the Antioch chapter. Mrs. Helen Carlson of Antioch acted as soloist and instrumentalist. In the escort were Mrs. Ada Hachmeister, Mrs. Edith Elms, Miss Clara Haling, Mrs. H. B. Gaston, Mrs. Esther Wilton, Mrs. Rosabelle Anderson, Oscar Hachmeister and William Anderson.

Mrs. W. Wiechmann was hostess at a luncheon at her home Monday in celebration of her birthday anniversary. Guests were Mrs. William Ehrhardt, Park Ridge; Mrs. Fred Hess and her mother and Mrs. William Luebbe, all of Des Plaines; Mrs. Lawrence Vopp and Mrs. W. D. Wood. The luncheon centerpiece was a picturesque arrangement of wheat, corn, squash, Indian squash, carrots, green peppers and apples, flanked with large candles. Autumn leaves adorned the tablecloth. Mrs. Wiechmann received many lovely gifts.

Mrs. C. E. Hennings is attending the state assembly of Illinois Rebekah lodges in Springfield this week as the official delegate of the Antioch lodge. Antioch members plan to entertain delegates and past noble grands at a meeting Nov. 5, it was announced at a business session last Wednesday evening. Election of officers is set for the first meeting in December.

Mr. and Mrs. L. R. Van Patten returned Wednesday from a trip to Camp Forrest, Tenn., where they visited their son and daughter-in-law, Mr. and Mrs. Marvin E. Van Patten. They also visited Fort Ogilthorpe, Ga., and stopped at Wright Field, Dayton, O., where they visited Capt. L. D. Powles.

A \$400 production—Romance of Old Mexico—may be seen next Thursday night at the Antioch High school at popular prices—40 cents for adults.

Antioch, Ill.

LAKE VILLA

The Rev. W. A. MacArthur will give one of his interesting chalk talks at the 7:30 service next Sunday evening, and there will also be special music. On the following evening, Monday, Oct. 27, the third Court of Honor of the local Boy Scouts will be held at the church and Thomas E. Kennedy of Waukegan will be guest speaker. The public is invited.

The Ladies' Aid society will meet Wednesday afternoon, Nov. 5 with Mrs. Seeger at her home on the Willett estate and Mrs. Whitaker will be assistant hostess. Visitors are always welcome.

Mrs. W. A. MacArthur, who has been confined to her home by illness, is a patient in St. Therese hospital and we are glad to report a slight improvement.

Mrs. Mayne McLaren was a Milwaukee visitor last Wednesday.

Mrs. H. J. Nelson entertained two cousins, Miss McCracken and Mr. Eusden of Evanston last Sunday.

Burt Kanka has been a surgical patient at Bethany hospital in Chicago and is recovering at his home here.

The Lions club sponsored a public dance at the hall Saturday night to raise funds for the annual Halloween party for the children, and the bicycle which they disposed of was awarded to Walter Schneider, Jr.

Mr. and Mrs. G. E. Miller were Chicago visitors last Friday.

Mr. and Mrs. Philip Wagner, Jr., have moved from the Waukegan flat to the Leonard cottage on Grand avenue.

Mr. and Mrs. Clare Sherwood have shipped their new cabin cruiser by barge to New Orleans and will pick it up later when they go to Florida for the winter and will have it to cruise in the Gulf of Mexico and the ocean.

Mrs. Rudolph Gunnarson entertained Mrs. Betty Kanka, Mrs. Clare Sherwood, Mrs. Mary Miller, Mrs. Straub, Mrs. R. Meeker, Mrs. Grant Miller and Mrs. Manzer in honor of Mrs. Kanka, who will leave soon for her home in Chicago. Bunco was played, and prizes awarded to Mrs. Meeker, Mrs. Kanka and Mrs. Gunnarson.

Mr. and Mrs. Russell Nickerson and Ronald attended the rodeo at the Chicago stadium last Saturday.

Mrs. Paul Avery, Sr., entertained a few ladies at her home last Thursday afternoon.

Mrs. Frank Wood is spending some time with Evanston relatives.

Mr. and Mrs. Earl Hucker were Chicago visitors last Friday.

Mr. and Mrs. Charles Kelly and Lillian visited relatives at Wauwatosa, Wis., on Monday.

Wesley Blumenschein, who has been in the service of the Marines for the last four years and has seen a great

deal of the world during that time, came home Saturday by airplane for a visit with his parents. He has been stationed recently at Paris Island, S. C., as an instructor in the barrage balloon school.

Mr. and Mrs. Trave Ellis of Belvidere spent Sunday with their parents, Mr. and Mrs. B. J. Hooper.

Miss Mary Kay Lynn, a freshman at Carroll college, Waukegan, spent Saturday and Sunday with her mother here.

Mrs. Mary Miller went to Chicago Tuesday to spend the remainder of the week with her son and family.

Mr. and Mrs. Beckman of Lowell, Ind., Mr. Beckman of Crown Point, Ind., and Mrs. Nauta of Waukegan were guests of Mr. and Mrs. Lester Hamlin on Sunday.

The recent rains have caused some plants to bloom as in spring and Mrs. Mosby has violets in her garden. Others have reported spirea, strawberry and rose blooms.

A Marimba band will furnish the musical background for the Romance of Old Mexico at the High school next Thursday night. Marvelous singing, brilliant dancing, colorful costumes—an evening in Old Mexico you will never forget.

Cora Syrup
The bakeries in the U. S. are using 100 pounds of corn syrup each minute for cakes, icings and sweetenings.

Add Vinegar to Rinsing
Put a tablespoon of vinegar into water in which glasses are rinsed. It gives them a luster.

Iran Oil Producer. Iran (Persia) is the fourth oil-producing country in the world.

Increasing Farm Accidents Attributed to Machine Age

Above—When the horses start, the knife-sharp blades of the discs begin to turn. Agricultural implements are the leading farm accident hazard. Right—Cigarettes and gasoline are noted for their teamwork in causing serious injury and costly fires.

Farmer Is Urged By Red Cross to Check Accident Hazards

Washington, D. C.—Mechanization of the American farm is accounting for a mounting accident fatality toll, the Red Cross pointed out in an appeal for farm owners to participate in its year-round Home and Farm Accident Prevention drive beginning the last week of October.

Of the 4,500 farm workers killed by accidents last year, approximately 25 per cent were due to carelessness and the use of faulty implements, the Red Cross said. Ill-tempered animals, vehicles, excessive heat and falls led other farm accident causes in that order.

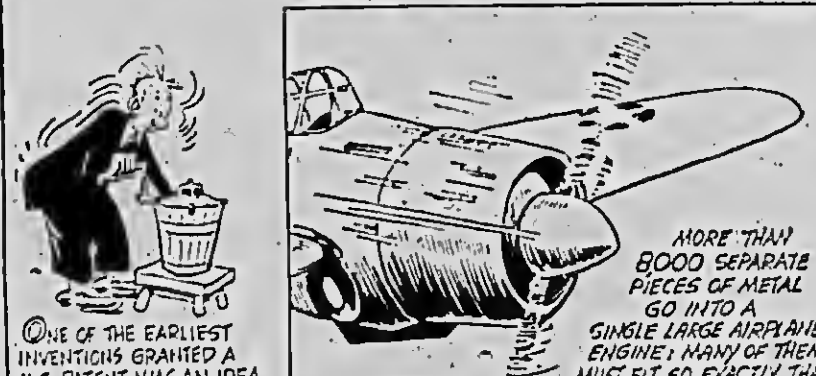

To the farmer, the Red Cross urges a close check-up for the removal of accident hazards. Machinery, tools and other equipment should be examined periodically and kept in good repair. Tools and implements should be kept in regular places, out of the farm yard or where they may cause a serious fall. Bulls, hogs and other dangerous animals should be kept in secure pens.

Approximately 50 injuries of varying degree occur for every farm accident fatality—a nation-wide total

of some 225,000 for last year, the Red Cross appeal for greater safety pointed out.

To launch this year's Accident Prevention program the Red Cross again will distribute 10,000,000 home and farm "check lists." By following the suggestions urban householders can systematically check the home for accident hazards. A similar check-up is outlined for the removal of hazards on the farm.
